King Plastic Corporation

Sheet: HDPE, LDPE, PP, StarBoard® ST, StarBoard®, StarBoard® XL, StarLite® XL, StarBoard® AS, King MediGrade™, ColorCore®, ColorBoard®, CuttingBoard®, CuttingBoard® XL, CuttingColors®, Hy-Pact®, King MicroShield®, King Flame-Shield, ABS (Natural, Black, White), ABS FR, HDPE (Natural, Black), PipeGrade® HDPE.
King-Size Blocks: Blocks and slabs available in HDPE, LDPE, PP.
Tel: 941-493-5502 Fax: 941-497-3274 www.kingplastic.com

Harrison Machine & Plastic Corporation

Duct: PVC, CPVC, and PP duct extruded and fabricated thru 60". Custom sizes and shapes.
Double Containment: PVC, Clear PVC, and CPVC pre-fabricated containment systems.
Fabricated Fittings: Large diameter fabricated fittings available in drainage, reduced pressure, and FRP full pressure rated, PVC, CPVC, PP duct fittings thru 60".
Custom Fabrication: Custom fabricated parts, prototypes, pre-engineered systems.

Lutz-Jesco America, Inc.

Pumps: MAGDOS Solenoid Pumps, MEMDOS Smart Stepper Motor Pumps, Lutz Drum Pumps, PERIDOS Peristaltic Pumps, Mechanically Actuated Pumps, Hydraulically Actuated Pumps.
Controllers: Topax Analyzers and Controllers
Systems: Custom Chemical Feed Skid Systems, Pre-Engineered Skid Systems, Polymer Systems, Water Sampling Stations with Chlorine Analyzer.
Tel: 585-426-0990 Fax: 585-426-4025 www.lutzjescoamerica.com

Lutz Pumps, Inc.

Drum and Container Pumps: Electrical, Battery, Pneumatic Motors. Pump Tubes available in PP, PVDF, Aluminum, Hastelloy C, Stainless Steel, Pure FDA and Progressive Cavity.
Flow Meters: TR Series, TS Series: Nutating disc principle, HDO Series: Oval gear principle.
AOD Pumps: PP, PVDF, Nylon, Conductive Nylon, Aluminum and Stainless Steel.
Accessories: Drum Pump Sets, Mixers, Nozzles, Adapters, Foot Strainers, Wall Brackets.
Tel: 770-925-1222 Fax: 770-923-0334 www.lutzpumps.com

Champion Fiberglass, Inc.

Champion Strut: Complete system of fiberglass components, includes strut (channel) and a wide variety of hangers, fittings, threaded rods, nuts and accessories. It is available in both polyester and vinyl ester resins and supplied in standard 10-foot lengths.
Champion Bridge Drain: Fiberglass bridge drain system that can be used in many highly corrosive drainage applications to handle run-off water that contain waste materials.

Meunier Technologies

The DICE Technology: The simple compact all-in-one solution that integrates all the necessary discharge components required for a typical chemical dosing system.

Dosing Modules: DICE DS for suction lift applications, DICE DM for flooded suction applications, and DICE ES for metering pump applications.

Materials: Available in PMMA (Acrylic), PVC, PVDF, and SS block materials.
Tel: 450 413-1311 www.meuniertechnologies.com

Griffco Valve, Inc.

Back Pressure Valves: M-Series, G-Series, Unibody, High-Flow, Medium and High-Pressure.

Pressure Relief Valves: M-Series, G-Series, Unibody, High-Flow, Medium and High-Pressure.

Calibration Columns: PVC Calibration Cylinders, Glass Calibrations Cylinders.

Accessories: Injection Valves, Corporation Stops: Pulsation Dampeners, Fusion Dampeners, Gauge Guards, and Y-Strainers.

Thermoval Solenoid Valves USA, Inc.

Solenoid Valves: 2/2, 3/2 Solenoid Valves, actuators and high pressure valves.

Pneumatic Valves: 3/2, 5/2 Pneumatic valves, NAMUR, and isolated plunger.

Steam: 2/2 Angle Valves and Steam Trap with Timer.

Bag Filter Valves: 2/2 Servo operated bag filter bags.

Specialty Valves: Non-return valves, safety valves for air systems, A/C, cutting and welding, printing, industrial washing, magnetic pulse, refrigeration, and vacuum.

Foust Marketing, Inc.

Skid Systems: Pre-Engineered Systems, Custom Systems, DICE Dosing Modules

New and Rental Tools: PB-200 cordless portable power beveller, Pipe cutters, deburring tools, large diameter pipe and fitting pullers, socket fusion tool.

Training: PVC, CPVC, solvent cement training, PP, PVDF, socket fusion training.

Installation training may be provided where our materials are ordered for the project.

Certifications: IPS Weld-On: ASME B31.3 and standard training for the proper solvent cementing techniques; NIBCO - Chemtrol®: Socket fusion of PP, and PVDF.
