King MediGrade® Antimicrobial Sheet Used for Medical Carts

King MediGrade® is a super tough, high-density polyethylene sheet with an advanced antimicrobial technology for protecting the product surface against stain and odor causing bacteria, algae and fungi. The antimicrobial additive is bonded at the molecular level and will not leach out of the product. Unlike surface antimicrobials, the antimicrobial technology protects against bacterial degradation for the lifetime of the product.

King MediGrade® has been successfully used for Ventilator Carts, Mobile Computer Carts, Lab Carts, Storage Bins, Cabinets, and Organizers.

Specifications

- Sheet Size: 48" x 96"
- Gauges: 1/4" | 1/2" | 3/4"
- Colors: Dolphin Gray, Sanshade, Seafoam, and White/White
- Custom sheet sizes, gauges and colors available.

Americo Ramirez Engagement to Stephanie Taggart

We are excited to announce the wedding engagement of Americo Ramirez and Stephanie Taggart. Americo proposed on a recent trip to Lake Travis in Austin area during the COVID 19 pandemic.

Americo and Stephanie met at Texas A & M University in calculus class and have been together for four years. They both graduated from TAMU and tailgate most of the football games. They enjoy trying new foods, traveling, hunting, and living life together. Their favorite restaurant is Italiano's in Pearland. Fun fact...they are both very competitive and say they can beat anyone at the game of Sequence. They plan to get married next winter and live in the Houston area. Please reach out to congratulate them on their future together. #ReadyToRamirez

Therموال—Quality Solenoid Valves

them from most other suppliers who use Class F 155°C copper wire, shortening the life of the valves and compromising performance. Therموال products are more resistant in terms of dielectric, thermal, chemical and hermetic characteristics.

Foust Marketing recently partnered with Therموال Solenoid Valves USA. The Therموال product line provides Foust Marketing a highly synergistic offering for our customers.

Therموال offers high-quality solenoid valves in 2/2 two ports (inlet and outlet) and two positions (open or closed), and 3/2 with three ports. The Therموال advantage is all of the solenoid valves are manufactured with thermal Class HR 200°C copper wire. This distinguishes
